AGREED ORDER RELATING TO THE 2000 AMENDED GUIDELINES

By agreement of counsel and with the Court being fully advised, the Order of August 17, 2000 (Docket No. 1528) is supplemented as follows:

Class Counsel is authorized to send the letter attached hereto as Exhibit A (duly translated into the appropriate languages) to all class members throughout the world known to the Trustees, Claims Administrator, and MedicAlert. The cost of translation, preparation, and mailing shall be paid from the Patient Benefit Fund. The purpose of the letter is to advise all known class members that they may receive valve replacement surgery benefits if the BSCC valve replacement surgery complies with guidelines for BSCC heart valve replacement surgery approved by the Court at any time and occurs before March 1, 2002. For replacement surgeries that occur on or after March 1, 2002, in order to qualify for valve replacement surgery benefits from the *Bowling* settlement, the surgery to replace a BSCC heart valve must comply with either (a) the Court-approved heart valve replacement guidelines in effect at the time of the surgery or (b) any replacement guidelines approved by the Court subsequent to the surgery.
